25X1 DATE OF INFO. PLACE ACQUIRED

The following is a list of industries and utilities in order according to the priorities assigned them in the so-called Program for the Advancement of Socialism (Budovani Socialismu). The government offices not directly concerned with production or utilities were listed after the industries and utilities

The National Bank, which was the only bank handling foreign currencies for the use of the Czechoslovak economy, allotted foreign currencies for the use of the various industries and utilities according to their place on this list. Chemapol was given this list by the Ministry of Foreign Trade in the second half of 1951 and it still applied in June 1952. The list was classified as "Confidential".

1. Mining industry
2. Power production
3. Metallurgic industry
4. Heavy machinery production
5. Transportation facilities and airplane construction
6. Precision mechanics
7. Light metal industry
